Delhi Skill and Entrepreneurship University (DSEU) retains the right to alter, modify, update, or remove any section of this bulletin without prior notification. Any such alterations will be promptly reflected on the DSEU website (www.dseu.ac.in) and will be effective from the date of posting on the admission webpage. This Information Bulletin is for informational purposes only and does not create a binding legal obligation.

It is the responsibility of candidates to regularly monitor the DSEU website/admission portal for updates pertaining to admissions-2026, as well as for policies concerning allocation and admission. Grievances arising from failure to consult this bulletin and associated websites will not be addressed.

This Information Bulletin is a compilation of information gathered from various Faculties, Departments, Centres, and Campuses. Every effort has been made to accurately reproduce the official rules, regulations, and relevant details. However, it should not be interpreted as a guarantee, whether explicit or implicit, of the completeness and accuracy of the information provided herein.

DSEU disclaims any liability for losses or damages incurred by individuals resulting from actions taken based on the information contained in this Bulletin. Any errors found within the Bulletin may be due to inadvertent omissions, clerical errors, or other factors.

Failure to comply with admission requirements, including the non-submission of necessary documents and/or non-payment of fees within the specified timeframe, will result in the forfeiture of applicants' admission rights.

In the event that original admission documents are discovered to be fake, non-genuine, fabricated, or otherwise defective at any stage, the concerned candidate will be denied admission or, if already admitted, will have their admission revoked without prior notice. No refunds will be issued in such cases. If such discrepancies are discovered after completing the course, the candidate's degree will be invalidated, and appropriate legal action will be pursued against them.

DSEU reserves the right to modify its admission policies and procedures at any time without prior notification. In case of dispute the decision of Hon'ble VC will be considered final. The most recent and updated information will be accessible on the website.

Message from the Vice-Chancellor

My Dear Future Leaders and Changemakers

It is with deep pride and great optimism that I welcome you to Delhi Skill and Entrepreneurship University an institution distinguished by its clarity of vision and strength of purpose. As you stand at the threshold where aspirations meet action, DSEU offers you not merely a certificate, diploma, or degree, but a lifelong partnership in shaping your dreams, your career, and your character.

By joining DSEU in the Academic Year 2026–27, you become part of a dynamic and expanding community spread across 23 campuses in the heart of India's capital. Last year, we admitted students to 57 diverse regular programmes ranging from three-year technical diplomas and undergraduate certificates and diplomas to bachelor's and master's degrees.

This year, our bouquet of programmes has expanded further, fully aligned with the National Education Policy 2020. With the flexibility of the Choice Based Credit System and Multiple Entry and Exit options, our academic structure is designed to adapt to your evolving aspirations. Whether your journey begins with a diploma, a bachelor's, or a master's degree, you will experience an education that is as flexible and ambitious as you are.

At DSEU, education is not confined to textbooks; it is grounded in doing, making, solving, and creating. Our curriculum is co-developed with industry, ensuring relevance to contemporary needs and preparedness for future challenges. You will learn in well-equipped labs, workshops, and studios, and gain invaluable experience through on-the-job training, internships, and apprenticeships with our industry partners. Beyond employability, we nurture the spirit of entrepreneurship—so that you graduate not merely as a job seeker, but as a job creator.

We are guided by a simple yet powerful ethos: “DSEU hain hum.” When you become part of DSEU, you join a lifelong community. Our engagement with you does not end at graduation; it continues through opportunities for reskilling, upskilling, and reinvention in a rapidly changing world. As you complete your admission application, you may indicate up to ten programme preferences. If your first choice is not available, I encourage you to embrace the next—because every campus, every programme, and every faculty member is part of one cohesive DSEU family, united by a singular mission: your growth.

At DSEU, education is not transactional—it is transformational. We are committed to nurturing your potential, refining your abilities, and empowering you with the competence and confidence to pursue your aspirations without limits. Whether you aspire to build a global enterprise, address pressing societal challenges, or contribute to India's technological and economic resurgence, DSEU will stand with you as a steadfast partner. Our expanding initiatives include contemporary curricula, a growing research culture, faculty development, strong industry collaborations, a new state-of-the-art campus, multidisciplinary programmes, and a vibrant ecosystem of cultural and sports activities that foster holistic development.

Why does this matter? Because India is on a transformative journey—towards a Viksit Bharat, an Atmanirbhar Bharat, and a Shrestha Bharat. You are the generation that will shape this future. DSEU is committed to equipping you with the skills, the mindset, and the ecosystem required to translate this vision into reality.

As you prepare to take this important step, I urge you to choose thoughtfully. Choose an institution that values the skill of your hands as much as the strength of your intellect. Choose a place where entrepreneurship is not merely an option, but a way of thinking. Choose a community that will continue to stand by you and proudly affirm, long after you graduate: “DSEU hain hum.”

Come, be a part of this transformative journey. The admission portal is open. Your future awaits.

With warm wishes and unwavering belief in you.

Warm regards

Dated 07/04/2026

To,
The Vice Chancellor,
Delhi Skill and Entrepreneurship University,
Sector-9, Dwarka, New Delhi-110077

Sir,

Subject: Clarifications regarding requirement of AICTE approval for Three Year Diploma Technical Programmes conducted by Delhi Skill and Entrepreneurship University-reg.

Kindly refer to D.O letter no. 382/26/VC/DSEU dated 05.03.2026 of Prof. (Dr) Ashok Nagawat, Vice Chancellor DESU on seeking Clarifications regarding requirement of AICTE approval for Three Year Diploma Technical Programmes conducted by Delhi Skill and Entrepreneurship University.

It may be noted that it is not mandatory for State Public & Private Universities and Central Universities to take AICTE's approval as per Clause 1.1 (g) of APH 2024-27 amended from time to time.

However, Universities are required to seek approval of AICTE for availing the benefits of AICTE Schemes/Initiatives as per the prevailing policies/norms. Central, State or Private Universities seeking AICTE approval for their Technical Programmes must apply for All Programmes. Partial approval will not be permitted and would be subsequently withdrawn, if already obtained.

University who are seeking AICTE's approval will need to fulfil the conditions mentioned in the APH 2024-27 as amended from time to time. The schedule for submission of online applications is available on AICTE website.

This is issued with the Approval of the Competent Authority.

Yours faithfully

About Delhi Skill and Entrepreneurship University

Our History

Established by the Government of NCT of Delhi, **DSEU** was founded to bridge the gap between education and employability. The **Delhi Skill and Entrepreneurship University Act, 2019**, was passed by the Legislative Assembly on December 3, 2019, receiving the Lt. Governor's assent on February 26, 2020.

Following its official notification in the Delhi Gazette, the university was established on **August 15, 2020**. Operations officially commenced on **October 8, 2020**, with the appointment of the Founder Vice-Chancellor—a date now celebrated annually as **Foundation Day**.

Features of DSEU

- **Industry-Aligned Curriculum**

Programs are co-designed and continuously updated in collaboration with industry leaders to ensure students graduate with the exact skills employers demand.

- **Pioneering Innovative Programs**

DSEU introduces specialized domains previously unavailable in traditional institutions, including:

- **Tech & Engineering:** Semiconductor Chip Design & Fabrication, AI, Network Engineering & Security, and Nano Materials.
- **Management & Media:** Digital Marketing, Data Analytics, Retail & Supply Chain Management, and Digital Media Design.
- **Service Excellence:** Event Management, Beauty Therapy, and AI-driven Office Management.

- **Entrepreneurial Ecosystem**

Beyond job seeking, DSEU fosters job creation. We provide robust entrepreneurship training, on-campus incubation facilities, and direct mentorship from successful founders.

- **Social Impact & Government Initiatives**

DSEU serves as the nodal agency for flagship government programs, including:

1. **Women Works Program (WWP):** Empowering women through skill-based livelihoods (WCD Dept, GNCTD).
2. **Spoken English Program:** Enhancing communication skills for global competitiveness (Dept. of Higher Education, GNCTD).

- **Radical Inclusivity** We are committed to democratizing skill education. Our campus culture and infrastructure are designed to support women, marginalized communities, and differently-abled individuals.

- **Global Outlook** Through consistent international engagement and benchmarking against global best practices, DSEU prepares students to compete and excel in the international labor market.

- Our mission is to integrate world-class skill education with a mindset of innovation, ensuring every student has a clear pathway to a dignified career or a successful venture.

Department, School of Studies and Centre:

- (1) A department listed in this Ordinance shall be designated as a "Department" if it has regular faculty on its roll. If it does not have regular faculty, it shall be designated as a "School of Studies" or "Centre," as notified by the Registrar with the approval of the Vice-Chancellor. The Vice-Chancellor may grant a Department the status of a PG Department by order.
- (2) The Head of the Department shall be appointed by the Vice-Chancellor in accordance with the provisions of the Act and Statute. The Director of a Centre or School of Studies shall also be appointed by the Vice-Chancellor for a period of two years. The Director of a Centre or School of Studies shall hold an equivalent position to the Head of the Department for all purposes under this ordinance and the University's regulations. Consequently, any reference to the "Head of the Department" shall be understood to include the "Director of a Centre or School of Studies."
- (3) The Head of the Department shall work directly under the superintendence, direction, and control of the Vice-Chancellor.
- (4) The term of appointment for the Head of the Department shall be two years or until they reach the age of superannuation, whichever is earlier. They shall be eligible for reappointment only after a two-year lapse following the conclusion of the previous term.
- (5) The Head of the Department may resign his office at any time during his tenure of office.

- (6) The Vice-Chancellor may remove the Head of the Department from office if he/she is satisfied that the incumbent:
- a. Has been declared insane by a competent court; or
 - b. Has been convicted by a court for any offense involving moral turpitude; or
 - c. Has been declared an undischarged insolvent by a competent court; or
 - d. Is physically unfit and incapable of discharging duties due to prolonged illness or physical disability; or
 - e. Has wilfully failed or refused to carry out the provisions of this Act, Statutes, or Ordinances, or has violated any terms and conditions of service or the appointment order, or has abused the powers vested in him/her, or if the continuance of the Director in office is detrimental to the interests of the University.

8. Powers and Duties of the Head of the Department

- (1) The Head of the Department shall provide leadership, direction, and coordination within the Department.
- (2) The Head of the Department shall promote and develop good governance within the Department, consistent with and supportive of the overall University governance structures and policies.
- (3) The Head of the Department shall lead the strategic development of the Department in line with the Strategic Plan of University and guidelines issued by authorities of the university.
- (4) The Head of the Department shall lead initiatives, in collaboration with other academic units, to achieve national and international visibility/recognition for the Department.
- (5) The Head of the Department shall have the authority to exercise all necessary disciplinary powers over students in the Department to ensure proper conduct.
- (6) The Head of the Department may formulate supplementary rules as deemed necessary to maintain discipline within the Department. Provided, however, that the ruling of the Vice-Chancellor shall be final in any review of these supplementary rules.
- (7) The Head of the Department shall serve as the Chairperson of the Department Staff Council.
- (8) The Head of the Department shall have administrative control over the Department facilities.
- (9) The Head of the Department shall ensure that registers of equipment, machinery, and other assets are maintained up-to-date and that the physical verification and reconciliation of these

assets and other consumable materials in all offices, workshops, and stores of the Department are conducted regularly.

- (10) The Head of the Department shall work closely with the Comptroller of Finance in developing the Department's financial strategy in alignment with the overall University financial strategy.
- (11) The Head of the Department shall support the professional development of all staff in the Department.
- (12) The Head of the Department shall serve as the Drawing and Disbursing Officer and manage all funds earmarked for the Department.
- (13) The Head of the Department shall support the enhancement of research and research centres within the Department and across Departments.
- (14) The Head of the Department shall perform such other duties as may be assigned by the Vice-Chancellor and exercise such other powers as may be prescribed by the Statutes, Ordinances, and Regulations from time to time.

9. Faculty Members

- (1) All Assistant Professors, Associate Professors, Professors, Emeritus Professors, Adjunct Associate Professors, Adjunct Professors, Assistant Professors of Practice, Associate Professors of Practice, and Professors of Practice affiliated with the University shall be collectively referred to as "Faculty Members." Each Faculty Member shall be primarily associated with one Department. However, with the permission of the Vice-Chancellor, a Faculty Member may be associated with more than one Department, School of Studies, or Centre, in which case they shall serve as adjunct faculty for the additional affiliations.
- (2) A Distinguished Professor shall be associated with the University and shall have the freedom to engage in the academic activities of any Department or the University as a whole.
- (3) Faculty Member will be a member of the Staff Council of the Department or with which associated.
- (4) Faculty Members shall work under the superintendence, direction, and control of the Vice-Chancellor. They shall also operate under the guidance and authority of the Head of the Department and the Dean with whom they are associated.
- (5) The Vice-Chancellor may assign additional duties to Faculty Members as deemed necessary in the interest of the University.
- (6) Faculty Members shall:

- a. Adhere to a responsible standard of conduct and demean or as expected by the community;
- b. Manage their private affairs in a manner consistent with the dignity of the profession;
- c. Pursue continuous professional growth through study and research;

Regulation 2A

Regulation 2 (A)
Delhi Skill and Entrepreneurship University
Sector 9, Dwarka, New Delhi

Reg. 2-A: Regulation for the implementation of Choice Based Credit System (CBCS), Semester System, Multiple Entry and Exit, Continuous Assessment and Grading System in light of National Education Policy 2020 in Delhi Skill and Entrepreneurship University from Academic Session 2024-25 onwards.

Reg. 2-A.1: This Regulation pertains to the implementation of the Choice Based Credit System (CBCS), Semester System, Multiple Entry and Exit options, Continuous Assessment, End of Semester Examination, and Evaluation and Grading System.

Reg. 2-A.2: It shall be applicable for the award of Academic Qualifications by the University to all fresh students admitted in the Academic Session 2024-25 and subsequent sessions thereafter in every regular Academic Program of the university under the National Credit Framework (NCrF).

Reg. 2-A.3: The term “program” or “academic program” in this Regulation refers to the entire scheme of study followed by learners leading to an academic qualification such as a Certificate of Vocation (Engineering), Diploma of Vocation, Three-Year Technical Diploma, UG-Certificate, UG-Diploma, Bachelor’s degree (Three Years or Four Years), Post Graduate Diploma, and Master’s degree (Two Years or One Year) and excludes Doctoral, Short-Term Skill Credit Certification, and Micro-Master Credit Certification offered by the university.

Reg. 2-A.4: This Regulation shall have an overriding effect on other existing regulations/rules having different provisions therein that were prevailing in Academic Sessions prior to 2024-25, provided that the students already admitted in Academic Sessions 2023-24 and prior sessions shall be considered under the prevailing regulations/rules at the time of their admission. This Regulation shall not be retrospectively applied to existing students enrolled in any academic program prior to the Academic Session 2024-25 unless otherwise notified by the university.

Reg. 2-A.5: An academic program offered by the university will be classified as

either Technical Skills Program (TSP) or Vocational Skills Program (VSP) or Entrepreneurship Skills Program (ESP) or Academic Skills Program (ASP). A Technical Skills Program will involve teaching theory and science behind the occupation and also honing requisite technical skills for the pursuit of the occupation related to the technical discipline. A Vocational Skills Program will focus on a more hands-on approach to teaching the skills needed to do the job associated with a specific job role or vocation. An Entrepreneurship Skills Program (ESP) will focus on honing entrepreneurship skills for becoming an entrepreneur or intrapreneur. An Academic Skills Program (ASP) involves skills development for an academic discipline (s) or inter-discipline(s).

Reg. 2-A.6: The curriculum and scheme of examinations of any of the academic programs of the university under this Regulation shall be based on (a) Choice Based Credit System, (b) Semester System, (c) Multiple Entry and Exit options, (d) Continuous Assessment (CA) and End of Semester Evaluation (EoSE), and (e) Grading System, in toto as well as for each of the educational components of an academic program called a “course” in this Regulation.

Reg. 2-A.7: An academic session of the university beginning on the 1st of July and ending on the 30th of June shall be divided into two full semesters and a short summer semester. The **Fall** semester may be scheduled from the 1st of July to 15th of December and the **Spring** semester from the 1st of January to 30th of April followed by an annual summer vacation for students from the 1st of May to the 30th of June, which can be utilized for either the summer internship course or a special short-term **Summer** Semester wherever provisions are provided.

Reg. 2-A.8: Fall Semester may normally commence on the 1st of July. It may involve student union elections, several festivals off, and a Diwali break so that the End of Semester Examination (EoSE) of the Fall Semester may commence from the First of December and the Semester break from December 16 to 31. Provided that the Vice-Chancellor of the University may amend the timeline in a particular session keeping in view prevailing circumstances, the decision by the Vice-Chancellor shall be reported to the Academic Council and the Board of Management in its next meeting.

Reg.:2-A.9: Spring semester may commence on the 1st of January. It will NOT involve any midterm break so the End of Semester Examination (EoSE) of the spring Semester may commence on 15th of April. Provided that the Vice-

Chancellor of the University may amend the timeline in a particular session keeping in view prevailing circumstances, the decision by the Vice-Chancellor shall be reported to the Academic Council and the Board of Management in its next meeting.

Reg. 2-A.10: The Spring Semester will be followed by the Annual Summer Break from May 1 to June 30. The annual summer break period can be utilized for either the summer internship program or short summer semester as required under the program. The End of Semester Examination (EoSE) of the Summer Semester may commence on 1st July. Provided that the Vice-Chancellor of the University may amend the timeline of the Summer Semester in a particular session keeping in view prevailing circumstances, the decisions shall be reported to the Academic Council and the Syndicate/Board of Management.

Reg.:2-A.11: The curriculum including the syllabus of each component (called course) of an Academic Program leading to the award of an Academic Qualification shall be designed by the university under CBCS, to facilitate its students with plenty of choices of courses to choose and form their own learning path in a flexible manner involving multiple entry and exits as per their choice and individual requirement.

Reg.:2-A.12: The curricula developed under the CBCS shall promote flexibility in the curriculum framework, leading to interdisciplinary or multidisciplinary academic mobility of students across higher education institutions in India and the premiere institutions abroad based on an appropriate credit transfer mechanism.

Reg.:2-A.13 : An Academic Program shall consist of components called courses including “Core Courses” (CC) (discipline specific courses compulsory for all students enrolled in the program to attain a particular Academic Qualification with the chosen discipline(s)) and remaining “Elective Courses” (EC) (not compulsory but opted by students) to complete the total credit requirement for award of an academic qualification. The total credits of core courses shall not exceed 60% of the total minimum credit requirement for earning an academic qualification.

Reg.: 2-A.14: The term “discipline” in this Regulation refers to a discipline or subject or inter-discipline, which is a field of study, and associated skills and as

such is declared a discipline by the university. A major discipline is the discipline or subject of main focus, and the Academic Qualification will be awarded with specific mention of that discipline as a major discipline. An academic program may involve one, two, or three major disciplines as notified. Students should secure the prescribed number of credits in each of the major disciplines through discipline-centred core courses. An academic program may have, in addition to the prescribed number of major disciplines, the discipline(s) chosen as a minor discipline that helps a student to gain a broader understanding beyond the major disciplines.

Reg.: 2-A.15: A course related to a specific discipline will be classified as either a Discipline Centric Core (DCC) course or a Discipline Specific Elective (DSE) course. A DCC course is one which should compulsorily be studied by the student as a core requirement to earn an academic qualification with the specific discipline as chosen as the major/minor discipline. Elective courses pertaining to the chosen specific major/minor discipline of an academic qualification will be referred to as Disciplines Specific Elective (DSE).

Reg.: 2-A.16: An elective course chosen from a discipline not specified as a major or minor discipline for an academic qualification will be called an **open elective course (OEC)**. Such courses are chosen by a student with the intention of seeking exposure beyond the discipline/s of choice. All DCC and DSE courses of disciplines other than Major and Minor Discipline offered by the university can be chosen by the student as Open Electives.

Reg.: 2-A.17: A course that is not related to a specific discipline is called a **Generic Elective Course (GEC)**. The purpose of this category of courses is to offer students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. These may include Generic Elective Courses on Ethics, Culture, Humanism, Theory of Knowledge, Design, Innovation, Development Economics, Contemporary World, Technology and Society, Entrepreneurship, Environmental Science, Digital and Technological Solutions, Understanding India, Indian Knowledge System, Health and Wellness, Yoga and Meditation, Sports and Fitness, and Public Policy.

Reg.: 2-A.18: Multidisciplinary Courses (MDC) are intended to broaden intellectual experience and form part of liberal arts and science education. MDC will be introductory level courses for broad disciplines such as (i) natural and physical

sciences, (ii) mathematics, statistics, and computer applications, (iii) library, information, and media science, (iv) commerce and management, and (v) humanities and social sciences.

Reg.: 2-A.19: An Ability Enhancement Course (AEC) is a course required to achieve competency in English, Hindi, or any other Modern Indian language with special emphasis on language and communication skills. AEC courses aim at enabling students to acquire and demonstrate core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. These courses are elective, but acquiring a specified number of AEC credits is compulsory for earning an academic qualification.

Reg.: 2-A.20: A Skill Enhancement Course (SEC) is aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. Any Skill Discipline Specific course can also be chosen as an SEC. These courses are elective, but acquiring a specified number of SEC credits is compulsory for earning an academic qualification.

Reg.: 2-A.21: Dissertation/Project/Field Study (DPR) is a course category that can be compulsory or elective for earning an academic qualification. The dissertation course allows students to acquire special/advanced knowledge with advisory support by a teacher/faculty member/external expert called a supervisor and present their findings in response to a question or proposition that they choose themselves. The Project Work or Field Study will aim to expose students to research methodology in the subject and prepare them for pursuing research in theoretical, experimental, or computational areas. The project work or field study is to be undertaken under the guidance of a teacher of the department, a scientist, or any other suitable person with proven research excellence in the concerned field of study. The expected learning outcome of a DPR course will be different for different NCrf levels, as such DPR credits shall be considered in association with the NCrf level.

Reg.:2-A.22: An Internship or Apprenticeship/ On-Job Training (IOJ) course is a course in which Internship or Apprenticeship or On-Job Experience is taken as per the scheme of the Academic Program at the Institute or Organization after approval by the University. The IOJ course shall require students to participate in a professional employment-related activity, workexperience, or cooperative education activity with

an entity external to the education institution, normally under the supervision of an employee of the given external entity. A key aspect of the IOJ is induction into actual work situations and extending opportunities to actively engage with the practical side of learning.

Reg.:2-A.23: A Community Engagement Course (CEC) is an elective course that requires students to participate in field-based learning generally under the supervision of a person of the given external entity. The curricular component of “Community engagement and service” involves activities that expose students to the socioeconomic issues in society so that theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems.

Reg.: 2-A.24: A Seminar Course (SEM) is a course intended to enable students to improve their knowledge and understanding of a topic by engaging with key issues to give them exposure to recent developments and advanced topics of research interest.

Reg.: 2-A.25: A Research Credit Course (RCC) is a course in which students can earn credit for conducting independent research with a faculty or industry mentor. The research outcomes of the research work may be published in peer-reviewed journals, presented in conferences/seminars, or patented. Credit shall be counted on the basis of estimation by the external referee of the research activity carried out by the students based on log records and recommendation of the Supervisor.

Reg.: 2-A.26: Based on delivery, a course will be specified as either (a) Theory (T) - Lecture or Lecture plus Tutorial or (b) Practical (P) - Laboratory or Workshop or Practicum or Studio Activity (P) or (c) Special (S) for all others such as DPR, CEE, IOJ, SEM, and RCC.

Reg.:2-A.27 : For each course, the curriculum shall be specified in terms of (i) Course Code, (ii) Type of the course, (iii) Title of the Course, (iv) Level of the Course, (v) Credit of the course, (vi) Delivery Sub-type of the course, (vii) pre-requisites and corequisites of the course, (viii) objectives of the course, (ix) Syllabus, (x) scheme of end-of-Semester Examination, (xi) Recommended books and References, (xii) Hyperlinks of suggested e-Resources, (xiii) Hyperlinks of suggested e-Resources on the web, and (xiv) Course Learning Outcome.

Reg.: 2-A.28: Overall learning outcomes of an academic program consisting of courses of different level(s) of the National Credit Framework (NCrF) shall be in

tune with learning outcomes as specified in the NHEQF/NSQF. For a component of the Academic Program, the Course Learning Outcome shall describe what a learner is expected to know, understand, and be able to do after successful completion of a process of learning including academic learning or skill development, enhanced creativity, innovation, higher order thinking, and critical analysis as envisioned in the specified curriculum.

Reg.: 2-A.29: Each course shall be assigned an appropriate NCrf level based on alignment of course learning outcome to the broad learning outcome for the level specified either in the NHEQF or in the NSQF. The credit level grade 10th of School Education level 3 and that of the 12th grade will be level 4. Higher education shall be from credit levels of 4.5 to level 8.

Reg.: 2-A.30: In a three-year technical or vocational skill diploma program with one major discipline enrollment and entry will be allowed to pass out of (i) 10th (secondary school) grade or (ii) two-year ITI after 8th Grade or (iii) on attaining 40 credits of NCrf level 3.0. Such a program will have exit options as given below:

Year	On Earning Credits	Exit Options
First Year of the Diploma	40 credits of Level 3.5	Exit with Certificate of Vocation
Second Year of Diploma	40 credits each for Levels 3.5 and 4.0	Exit with a Diploma of Vocation
Third Year of Diploma	40 credits each for Levels 3.5, 4.0, and 4.5	Exit with a Three-Year Diploma (Technical)

Reg.: 2-A.31 : In a Three/ Four Year Degree Program with either (i) One Major Discipline or (ii) Two Major Disciplines and One Minor Discipline or (iii) Three Major Disciplines of Technical or Vocational or Entrepreneurship or Academic type enrollment and entry will be allowed to pass out of either (i) XII (senior secondary) Grade Pass or (ii) Two Years of Diploma of Vocation after 10th Grade Pass or (iii) earning 40 Credits of NCrf Level 4.0. Such a program will have exit options as given below:

Fourth Year of the Degree	40 credits each for Levels 4.5, 5.0, 5.5, and 6.0	Exit with a Four-Year Bachelor's Degree B.S. or B.Tech. or BSc. (Hons) or B.com (Hons) or BA (Hons)

Reg.: 2-A.32: In a Three/ Four Year Bachelor Degree Program under Lateral Entry of Technical or Vocational program type enrollment and entry will be allowed to pass out of either three years of diploma technical after 10th grade pass or (ii) earning 40 credits of NCrf Level 4.5. Such a program will have exit options as given below:

Year	On Earning Credits	Exit Options
Second Year of the Degree	40 credits each for Levels 4.5 and 5.0	Exit with a UG Diploma
Third Year of the Degree	40 credits each for Levels 4.5, 5.0, and 5.5	Exit with Three Year Bachelor's Degree B.Voc./ B.Sc./ B.B.A, B.Com./BA
Fourth Year of the Degree	40 credits each for Levels 4.5, 5.0, 5.5, and 6.0	Exit with a Four-Year Bachelor's Degree B.S. or B.Tech. or BSc. (Hons) or B. Com (Hons) or BA (Hons)

Reg.: 2-A.33 : In a one-year post graduate diploma program (Level 6) in a major discipline, the entry will be allowed to pass out of either a three- or four-year bachelor's degree or (ii) earn 40 credits of NCrf Level 5.5.

Reg.: 2-A.34: In a two-year master's degree program in a major discipline of entrepreneurship or academic or vocational type, the entry will be allowed to pass out of either a three-year bachelor's degree or (ii) earn 40 credits of NCrf Level 5.5. Such a program will have exit options as given below:

Year	On Earning Credits	Exit Options
First Year of Master's Degree	40 credits of Level 6	Exit with a PG Diploma

Reg.: 2-A.35: In a One Year Master Degree Program (Level 6.5) in a Major Discipline Entrepreneurship or Academic or Vocational Skills type, the entry will be allowed to pass out of either a four-year bachelor Degree or (ii) earning 40 credits of NCrf Level 6.

Reg.: 2-A.36: In a two-year master's degree program (Level7) in a major discipline technical skills type, the entry will be allowed to pass out of either a four-year bachelor's degree in engineering or technology or (ii) earn 40 credits of NCrf Level 6.

Reg.:2-A.37: Credit (also referred to as Academic Credit) assigned to a course reflects a measure of the total time commitment an average student is expected to devote to learning of the course to ensure learning outcomes. The credit assignment will be based on the typical workload necessary to achieve the required learning outcomes as estimated by the concerned Board of Studies (BoS) or Committee of Courses (CoC) framing the course. Decision of BoS Or CoC will be final in the matter of credit assignment to a course.

Reg.:2-A.38: Credit will be assigned in terms of a natural number only and fractions shall not be assigned as the credit value. Credit shall be viewed according to the level of course and type of the course. The award of academic qualifications will require the earning of the specified minimum numbers of credits of different levels and the earning of credits of all compulsory courses and the requisite minimum number of credits for the program as per the detailed specification of the academic program.

Reg.:2-A.39: No contact hour per week shall be assigned in the timetable of

individual faculty members for supervising seminars or dissertation work or field study or project work or providing research guidance or mentoring services to the students. The consultation hours shall be decided and notified by the faculty members based on their available free time when no classes have been assigned to them on their page on the website.

Reg.:2-A.40: The workload of a course for assigning credits indicates the time students typically need to complete all learning activities (such as lectures, seminars, projects, practical work, self-study, and examinations) required to achieve the expected course learning outcomes. The estimation of workload must not be based only on contact hours (i.e. hours spent by students on activities guided by teaching staff like theory classes, tutorial of laboratory work or practicum or studio activity), it will embrace all the expected learning activities required to achieve the learning outcomes, including the time spent on independent work, compulsory work placements, preparation for the assessment, and the time necessary for the assessment.

Reg.:2-A.41: Workload Estimation: Workload estimation must be done realistically. It shall calculate not only the time spent by the students in lectures or seminars but also the time they need for individual learning and the preparation for examinations etc. The following should be considered for workload estimation.

1. Contact hours for the educational component (number of contact hours per week x number of weeks)
2. The time spent in individual or group work required to complete the educational component successfully (i.e. preparation beforehand and finalizing of notes after attendance at a lecture, seminar, or laboratory work; collection and selection of relevant material; required revision, the study of that material; writing of papers/projects/dissertation; practical work, e.g. in a laboratory or in field study)
3. The time required to prepare for and undergo the assessment procedure (e.g. exams) and the time required for obligatory placement(s), if applicable.
4. Other relevant factors are specific to the course. For example:
 - (i) The entry-level students for whom the program (or its components) is designed;
 - (ii) the approach to teaching and learning and the learning environment (e.g. seminars with small groups of students, or lectures with very large numbers of students), and

(iii) and types of facilities available (e.g., Smart classroom, demonstration, laboratory, and e-resources).

Because workload is an estimation of the average time spent by students to achieve the expected learning outcomes, the actual time spent by an individual student may differ from this estimate. Individual students differ in achieving learning outcomes. Some progress more quickly, while others progress more slowly.

Reg.:2-A.42: Whatever the method for credit allocation, the main element determining **the number of credits shall be the estimated workload needed to achieve the expected learning outcomes.** Proper credit allocation is a part of internal quality assurance for higher education institutions. The workload of a course unit is based on the total number of tasks a student is expected to perform as part of the overall program of study. The complexity of the material or the importance of the topic should never play a role when credits are allocated.

Reg.:2-A.43: Credit Assignment to a Theory Course: 30 Hours of Academic Activity per credit shall involve (i) 15 Hours of Lecture or both Lecture and Tutorial at the College/Department/Center and (ii) 15 hours (may actually require 30 hours or more in some cases) of preparation beforehand, finalizing notes after attendance at a lecture, collection, and selection of relevant material; study of that material; required revision, preparation for the assessment, and undergoing assessment. Thus, one contact hour with the faculty per week is assigned per credit in the timetable for the course. For example, for a three-credit theory-type course, three hours of lecture/tutorial should be allotted in the timetable per week.

Reg.:2-A.44: The contact hours of a theory course are spent not only merely on delivery of the theoretical course but also on diagnostic and formative assessment. One hour of diagnostic assessment and four hours of formative assessment with 10 hours of content delivery through lecture may be included in the delivery for each credit of the theory course. Diagnostic Assessment is an assessment that occurs at the beginning of the course or before a unit of instruction, to identify whether students have the prerequisite knowledge, understanding, or skills; provide information to assist in planning appropriate learning opportunities; identify student interests; and identify misconceptions. Formative assessment is an ongoing assessment that keeps students, and educators informed of their progress; provides direction to students on how to improve their learning; encourages students to take responsibility for their own progress;

provides teachers with information upon which instructional modifications can be made; and helps teachers understand the degree to which students are achieving the learning expectations.

Reg.:2-A.45: It is recommended that in theory course credit should not be too small (one credit). It is also advised not to make credits too high as continuous assessment becomes very difficult in cases where more than one faculty member is involved in teaching. Furthermore, very large credit courses are problematic for mobile students at all levels—institutional, national, or international.

Reg.:2-A.46: Credit Calculation for Practical Type Courses i.e., Laboratory/ Practicum/Studio Activity Course: 30 Hours of Academic Activity per credit shall involve 30 Hours of Practical/Field Work and 7.5 hours (may actually require more up to 15 hours) of preparation beforehand and writing of report after laboratory/field work, preparation for the assessment, and undergoing assessment.

Reg.:2-A.47: The Laboratory/ Practicum/Studio Activity Course courses be preferable of even credits; Thus, a Two-Credit Laboratory/Practicum/Studio Activity Course means Four hours of Laboratory/ Practicum/Studio Activity assigned as two hours on two weekdays or four hours on a single day in the timetable per week.

Reg.:2-A.48: Credit Calculation for Seminar/Dissertation/Project Work/Field Study Course: 45 hours of academic activity per credit shall involve 5 contact hours with a faculty member for discussion and guidance, and 40 hours of preparation beforehand, selection of relevant material, a study of that material, laboratory or field work if required, analysis of studied material, writing of the report, preparation of presentation for assessment, and undergoing assessment.

Reg.:2-A.49: The aim of the seminar is to provide students with exposure to recent developments and advanced topics of research interest. This course requires students to participate in structured discussion/conversation or debate focused on assigned tasks/readings, current or historical events, or shared experiences guided or led by an expert or qualified personnel in a field of learning, work/vocation, or professional practice. Normally, the course shall be of one or two credits only for the seminar in a semester. The EoSE evaluation of the seminar shall be done by a Board of Examiner, involving at least one external expert, supervisor, and head of the department or his nominee.

Reg.:2-A.50: The aim of Project Work/Field Study is to introduce students to research methodology in the subject and prepare them for pursuing research in theoretical, experimental, or computational areas. The project work or field study is to be undertaken under the guidance of a teacher of the department, a scientist, or any other suitable person with proven research excellence in the concerned field of study. Project work shall be of higher credits of four or six for proper accomplishment of the study. The final report or dissertation may be sent in advance to an external examiner for evaluation. The remaining EoSE evaluation of the Project Work/Field Study shall be done by a Board of Examiner, involving at least one external expert along with the Supervisor and Head of the Department or his nominee.

Reg.:2-A.51: Credit Calculation for Research Credit Course shall be based on the requirement of pursuit of research on a specific topic chosen by the students and undertaken under supervision of a recognized supervisor. One credit shall mean 45 hours of research activity under the supervision of a guide with at least fifty percent with proper log entries and records. The courses shall be preferably of even credits, i.e., 2 or 4, or 6. Thus, 90 hours of research activity under the supervision of a guide with fifty percent with proper log entries shall be assigned two credits. Research Credit. Research Credit is expected to lead to contribution in the form of presentation of the paper in a seminar or publication of a research paper in the journal. The final report or dissertation may be sent in advance to an external examiner for evaluation. The remaining EoSE evaluation of the Research Credit Course shall be done by a Board of Examiner, involving at least one external expert, supervisor, and Head of the Department or his nominee.

Reg.:2-A.52: Credit allocation under the CBCS shall be done on the workload estimate for a semester on the following basis:

- i) 1 Credit = 15 Theory period of one-hour duration in the entire semester (that is one hour per week in the weekly timetable)
- ii) 1 Credit = 15 Tutorial period of one-hour duration in the entire semester (that is one hour per week the weekly timetable)
- iii) 1 Credit = 15 Practical periods each of two-hour durations in the entire semester (that is two hours per week the weekly timetable)
- iv) 1 Credit = Forty-five hours of dissertation/project/field study/seminar work carried out in the entire semester. (No specific assignment in the weekly time table)

- v) 1 Credit = Forty-Five hours of Internship or On-Job Experience or Community Engagement Course or Research Credit Course (No specific assignment in the weekly time table)

Reg.:2-A.53: Minimum Credit Requirement for Award of an Academic Qualification: The minimum credit requirement for qualifying for award of an academic qualification is described in the table below.

Duration	Minimum Credits
Two-Semester Certificate of Vocation (Engineering)	Forty of Level 3.5 (including 4 AEC course)
Four Semester Diploma Vocational	Eighty Credits, including 40 of Level 3.5 and 4.0 each (including 4 AEC course)
Six Semester Diploma in Technical	One Hundred and twenty Credits, including 40 of Level 3.5, 4.0, and 4.5 each (including 4 AEC course)
Two Semester (Level 4.5) UG Certificate	Forty of Level 4.5 (including 4 AEC course) followed by an exit 4-credit SEC
Four Semester (Level 4.5 and 5) UG Diploma	Forty of Level 4.5 and 40 of Level 5 followed by an exit 4-credit SEC
Three Year (Level 4.5, 5 and 5.5) Bachelor's Degree with Three chosen Disciplines	Forty of Level 4.5, 40 of Level 5, and Forty of Level 5.5. These shall include earning 20 credits of Discipline Centric Core(Compulsory) courses in each of the three disciplines and 4 credits of AEC and 8 credits of SEC courses. The remaining 48 can be from elective courses of any type, including DSE of chosen disciplines, DCC or DSE of other disciplines, VAC, GEC, IOJ, SEM, DPR, and CEE.
Three Year (Level 4.5, 5 and 5.5) Bachelor's Degree with Two chosen major disciplines plus minor disciplines.	Forty of Level 4.5 and Forty of Level 5, and Forty of Level 5.5. These shall include earning 24 credits of discipline-centered core(compulsory) courses in each of the two major disciplines, 12 Credits of discipline-centered core(compulsory) courses in minor discipline, and 4 credits of AEC and 8 credits of SEC courses. The remaining 48 can be from elective courses of any type, including DSE of chosen disciplines, DCC or DSE of other disciplines, VAC, GEC, IOJ, SEM, DPR, and CEE.
Three Year (Level 4.5, 5 and	Forty of Level 4.5, 40 of Level 5 and 40 of Level 5.5.

5.5) Bachelor's Degree Single Discipline.	These shall include earning 40 credits of Discipline Centric Core(Compulsory) courses and 40 credits of Discipline Specific Elective in of the Major discipline, and 4 credits of AEC and 8 credits of SEC courses. The remaining 28 can be from elective courses of any type, including DCC or DSE of other disciplines, VAC, GEC, IOJ, SEM, DPR, and CEE.
Four-year (Levels 4.5, 5, 5.5 and 6 Bachelor's Degree (Honours) or (Honours with Research) in One Major Discipline	Forty of Level 4.5, 40 of Level 5, 40 of Level 5.5, and Forty of Level 6.0 These shall include earning 60 credits of Discipline Centric Core(Compulsory) courses and 60 credits of Discipline Specific Elective in of the Major discipline, and 4 credits of AEC and 8 credits of SEC courses. The remaining 28 can be from elective courses of any type, including DCC or DSE of other disciplines, VAC, GEC, IOJ, SEM, DPR, and CEE.
Post-Graduate Diploma Programme duration: One year (2 semesters) after any bachelor's degree i. PGD after a 3-year Bachelor's degree/two semesters of the 2-year master's degree program (level 6) ii. PGD after a 4-year bachelor's degree (level 6.5)	Forty credits of Level 6 in case of (i) and 40 credits of level 6.5 in case of (ii)
Master's Degree. Programme duration: One year (two semesters) after obtaining a Bachelor's degree (Honours/Research).	40 Credits of Level 6.5

Two-year Master's Degree (Level 6.5)(After Three Year Bachelor Degree) PG Degree/MSc.(Eng), M.VoC	Eighty Credits of Level 6.5, including Forty credits of Discipline Centric Core (Compulsory) course credits.
Master's degree (Level 7) Programme duration: two years (four semesters) after obtaining a bachelor's degree Engineering degree.	Eighty Credits of Level 7 including Forty Credits for Discipline Centric Core(Compulsory) course credits.

Reg.:2A.54: In a flexible approach, the Board of Studies and Committee of Courses will have the freedom to incorporate credits in addition to the predefined structure. This procedure may result in different numbers of credits being attributed to different types of courses. Students can opt for credits to the level permissible otherwise from this set of courses in lieu of a predefined structure. However, the student must ensure credit accumulation equal to or more than the minimum prescribed for a program. Elective Courses, Skill Enhancement Courses, Seminars, Dissertation/Projects/Field Study, Internship and On-Job Experience, Community Engagement Courses, and Research/skill Credit Courses may be incorporated in this manner by the university.

Reg.:2A.55: Each campus/department/center is required to arrange delivery of all compulsory courses and offer good number of elective courses so that students enrolled for the course can complete twenty percent more credits than the minimum number of credits specified for the program. It is NOT binding on the campus/department/center to make provision for all elective courses specified in the course catalog for the program.

Reg.:2A.56: Local Credit Monitoring Committee: For each program offered by a campus/department/center, there shall be a Local Credit Monitoring Committee (LCMC) consisting of four faculty members associated with the program with the head of the department as Chairperson. Students will be required to exercise option as per their wish in all or less or in chosen electives at the time of credit registration at the beginning of the semester. The allotment shall be done on the basis of feasibility and in a non-conflicting manner in accordance with the timetable for teaching at the unit and the EoSE timetable published by the University.

Reg.:2A.57: Credits are always awarded in the context of a coherent program of study. Credits are not interchangeable automatically from one context to

another. In the case of transfer, the university must always evaluate the work done or competencies obtained before they can be included in the university's own academic program for the award of the qualification.

Reg.:2A.58: LCMC will also recommend credit transfer from another university or academic institution to a university as equivalent credit for the award of the qualification. The equivalence so recommended will be considered by a standing Credit Equivalence Committee involving the Dean or (s) of Faculty/senior most Professor and HoD of the concerned department to forward with recommendations as deemed fit to the Academic Council for approval. Decision of LCMC shall be binding in case of credit allotment, but decision of Vice Chancellor/Dean Academics will be binding in case of Credit Transfer. (Note: Credit transfer is a benefit provided to a student by waiving one or more of the normal requirements for completion of a course of study, such as not having to complete a particular unit of study. Credit is obtained on the basis of evidence that the student has already undertaken and can demonstrate learning that is equivalent to the level and nature of the parts of the course of study for which credit has been granted).

Reg.:2A.59: Students once registered will be allowed to appear in subsequent spring and fall semesters for accumulation of credits and ultimately award of certificate/diploma/degree on an accumulation of minimum credit required for such award. For admission and appearance in the subsequent semester, students will NOT be required to earn minimum credit from earlier semesters. However, the degree/diploma/certificate will be granted only after fulfilling the entire credit requirement of the program. In the admission process, the top priority shall be given to students continuing in a program and discipline in succession, and if seats remain available, the students opting for elective courses will be accommodated. Declaration of the last semester's examination result will have no bearing on admission in the subsequent semester and its commencement.

Reg.:2A.60: A student may avail of a blank semester. No fees will be payable by a student in that semester. A student may exit after filing an application for the same. The application should route through HoD to the Academic branch to the examination cell. A student can rejoin the program after a period of time. The spirit of multiple entry and exit will be followed by the university, and flexibility will be extended to the students. However, each entry will be subject availability of seats and merit only. Thus, a student cannot seek entry at will but can obtain

exit at will.

Reg.:2A.61: A student may register for a minimum of one credit and a maximum of 30 credits in a semester.

Reg.:2A.62: Credits once earned will stand EARNED in the student's record unless the student applies for EXIT from the program with or without conferment or award of the degree to the student. The data of credit earned by the student shall be pushed to the Academic Bank of Credits after the declaration of the result of each semester. Maintaining ABC records of students will be the responsibility of the examination cell with the support of the LCMC of the concerned department.

Reg.:2A.63: In **continuous assessment (CA)**, due emphasis should be given to assessing cognitive skills such as logical thinking, application of knowledge and skills, and analysis and synthesis of concepts and rules. Thus, innovative evaluation strategies other than mid-term tests should also be part of CA. Innovative evaluation strategies are to be used by teachers during the semester at their own discretion. The comprehensive assessment (CA) will be graded out of a maximum of 100 marks, regardless of the credit assigned to each course. These marks will be allocated across the different components of the CA. The grades for the CA components will be presented separately on the grade sheet, along with the End-of-Semester Examination (EoSE) grade.

Reg.:2A.64 (a)End of Semester Examination (EoSE): EoSE will carry a maximum mark of 100 irrespective of the credits of the course. The marks obtained may or may not be specified in the Grade Sheet, but the Grade obtained shall be specified. The scheme of examination for EoSE for each course will be specified in the course syllabus.

(b)Recommendations of examiners for EoSE and practical: Recommendations for names of examiners shall be obtained from the concerned Boards of Studies through their respective chairmen. Where there is an exigency and the Board of Studies cannot meet, the Chairman of the Board of Studies may recommend the names, stating clearly why the meeting of the Board of Studies could not be convened. In emergent situations, where, for some reason the recommendations cannot be obtained from the Board of Studies as stipulated above, recommendations may be obtained from Vice-Chancellor.

Reg.:2A.65: Assessment will consist of two types: Continuous Assessment (CA) and End of Semester Examination (EoSE). Letter grades for both will be listed independently on the grade sheet, with CA accounting for a maximum weightage of 30% and EoSE for 70%. In addition, the final grade, determined by a combination of CA and EoSE weightages, will be displayed. Therefore, three distinct grades reflecting CA components, EoSE performance, and the combined final grade will be shown on the grade sheets.

Reg.:2A.66: Grading: Ten Point Scale for Letter Grades and for non-letter-grade courses “Satisfactory” or “Unsatisfactory” shall be indicated. Letter grades shall be counted for the computation of SGPA/CGPA. However, for add-on courses/non-letter grade courses, non-counting of letter grades in SGPA/CGPA may be permitted.

Letter Grade	Grade Definition	Grade Point
O	Outstanding	10
A+	Excellent	9
A	Very Good	8
B+	Good	7
B	Above Average	6
C	Average	5
P	Below Average/Pass	4
F	Fail	0
U	Unfair Means	0
W	Withdrawn	0
X	Absent	0

Credit will be counted as earned if the grade point in EoSE is 4 or above. Thus, Credit Earned in a Semester is = Sum of the Number of Credits in which the student has scored above grades except for F, U, W, and X.

.....
Note: grading scheme of UGC will be followed

Reg.:2A.67: Absolute Grading System: This grading system will be used if number of students appearing in the EoSE of a course in a university is less than 100 and if the number of students appearing in the Continuous Assessment of a course at a university is less than 100:

Grade	Grade Definition	Marks Range
O	Outstanding	90%-100%
A+	Excellent	80%-89.99%
A	Very Good	70%-79.99%
B+	Good	60%-69.99%
B	Above Average	50%-59.99%
C	Average	45%-49.99%;
P	Below Average/Pass	40%-44.99%
F	Fail	Less than 40%

Reg.:2A.68: Relative Grading System:

This grading system will be used if the number of students appearing in the EoSE of a course in a university is > 100 and if the number of students appearing in the CE of a course at a College/Department is over >100

Grade	Grade Definition	Marks Range
O	Outstanding	Top 5% in Merit
A+	Excellent	Top 15% excluding „O“
A	Very Good	Top 35% excluding „O“, and „A+“
B+	Good	Top 65% excluding „O“, „A+“, and „A“,
B	Above Average	Top 85% excluding „O“, „A+“, „A“, and „B+“
C	Average	Top 95% excluding „O“, „A+“, „A“, „B+“, and „B“
P	Below Average/Pass	Remaining in the Merit
F	Fail	Less than 40%

Note: In case of tie in marks, same grade will be assigned to same marks

Reg.:2A.69: SGPA & CGPA: Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) will be calculated on the credit weighted average of the grade points obtained with letter grades countable in GPA based on EoSE only.

$$SGPA = \frac{\sum_{i=1}^n C_i P_i}{\sum_{i=1}^n C_i}$$

Where,

C_i : Number of credits earned in the i^{th} course of the semester for which SGPA is to be calculated.

P_i : Grade Point Earned in the i^{th} course

i : 1, 2,n represents the different courses in which a student has appeared in EoSE

$$CGPA = \frac{\sum_{i=1}^n C_i P_i}{\sum_{i=1}^n C_i}$$

Where

C_i : Number of credits earned in the i^{th} course of Course till date for which CGPA is to be calculated.

P_i : Grade Point Earned in the i^{th} course

i : 1, 2,n represents the different courses in which a student has appeared in EoSE so far.

Reg.:2A.70: The SGPA and CGPA letter grades will be assigned as per table given below.

SGPA/CGPA	Letter Grade	Grade Definition
9.5 to 10.00	O	Outstanding
8.50 to 9.49	A+	Excellent
7.50 to 8.49	A	Very Good

6.50 to 7.49	B+	Good
5.50 to 6.49	B	Above Average
4.50 to 5.49	C	Average
4.00 to 4.49	P	Below Average/Pass

Reg.:2A.71: The University will issue a complete transcript of credits, grade obtained, SGPA, and CGPA on declaration of each semester result and a cumulative transcript on the accumulation of minimum credits required for the award of Certificate/Diploma/Degree when EXIT is sought by the student.

Reg.2A.72: Conversion of CGPA to percentage: To convert CGPA to percentage, the CGPA must be multiplied by Ten. Thus, for example, a CGPA of 7.23 will be converted to 72.3%. Because of the grading system, the percentage calculated on the basis of conversion may be different from the percentage calculated by the consideration of actual marks obtained in courses. The percentage based on CGPA conversion shall be mentioned in the final cumulative-grade sheet and shall be treated as the final and valid value of percentage for all purposes.

F.No.10(216)/DSEU/ACAD/2025/ 758

Date: 21/02/25

NOTIFICATION

The Board of Management in its 11th meeting held on 30th September, 2024 approved the agenda item no. 11.4.1 (approval of sixth academic council minutes), accordingly, the following Regulation 2B is notified as under:

“In the exercise of the power conferred under section 22(1) read with section 32 of Delhi Skill and Entrepreneurship University Act 2019, the Board of Management of Delhi Skill and Entrepreneurship University makes the following Regulation namely”; **“REGULATION 2B”**

1. SHORT TITLE, APPLICATION AND COMMENCEMENT:

- These Regulations shall be called as the Delhi Skill and Entrepreneurship University, Composition and Functions of Board of Studies and Committee of Courses, Regulation – 2(B), 2024.
- They shall be applied to all Campuses, BoS/CoC, Faculties and Departments/School of Studies of Delhi Skill and Entrepreneurship University from the Academic Session 2024-25.
- They shall come into force from the date of notification by the University and shall replace the existing regulations or rules for the composition and functions of Board of Studies and Committee of Courses.

Regulations 2B: This regulation pertains to Composition and Functions of Board of Studies and Committee of Courses.

Regulations 2B-1: There shall be such number of Boards of Studies (BoS) or Committee of Courses (CoC) as may be determined by the Vice Chancellor and later ratified by the Academic Council. The term Board of Studies shall be used whereas full-fledged related department having more than seven faculty members (including those on deputation) exist at time of its creation in the university else it will be called Committee of Courses. The term Board of Studies or BoS in this regulation will refer to both Board of Studies and Committee of Courses unless otherwise specifically made clear.

Regulations 2B-2: Vice-Chancellor shall be the competent authority to constitute/reconstitute the Boards of Studies and Committee of Courses.

Page 1 of 3

Regulations 2B-3: Vice Chancellor may constitute either Board of Studies or Committee of Courses as deemed appropriate for a specific discipline or interdisciplinary field of study or subject related to any Department/ Centre /School of Studies listed in Regulation-1. In addition to it, as deemed appropriate Committee of Courses may be constituted for developing courses pertaining to Ability Enhancement Course (AEC), Skill Enhancement Course (SEC), Generic Elective Course (GEC), Open Elective Course (OEC) or also for any other discipline or interdisciplinary field of study or subject as approved by the Vice- Chancellor.

Regulations 2B-4: Each BoS / CoC will be assigned a specific discipline or group of sub-disciplines or inter-disciplines or subjects as approved by the Vice Chancellor.

Regulations 2B-5: The term of office of members, other than the ex-officio members shall be three years. However, if it is essential in the interest of university the term of a member of BoS or CoC can be reduced by an order of the Vice Chancellor without assigning reason thereof. Ex-officio Members i.e. the Head of the University Department, Director of Centre or School of Studies and Dean of the Faculty if included in BoS/ CoC will cease to be member when relieved from the post. A Teacher of the University Department/Centre/School of Studies shall cease to be a member if he ceases to be a teacher.

Regulations 2B-6: Each Board of Studies/ Committee of Courses shall consist of minimum four and maximum eleven members including the Convener. The decision of Vice-Chancellor regarding nomination, composition, and constitution of the Board of Studies/ Committee of Courses will be final and binding.

Regulations 2B.7: In addition to a Convener, a Board of Studies/ Committee of Courses may include:

- i. One or two or three teachers of the university,
- ii. One or two or three external experts from other academic institutions,
- iii. One or two or three external experts from Industry or Skill domain,
- iv. One or two alumni of DSEU or erstwhile institutions which have been merged into DSEU from the relevant field.

Regulations 2B-8: Special Invitees can be invited to the meeting of the Board of Studies by the Convenor with the approval of the Dean of the Faculty with which the Board of Studies is associated or the Vice Chancellor.

Regulations 2B-9: The Board of Studies or Committee of Courses shall broadly perform the following functions:

- a. To recommend to the Academic Council, the introduction/discontinuation of academic programs, and addition, deletion, or updating of courses related to its disciplines.

- b. To recommend to the Academic Council, course structures, detailed curriculum, course syllabi, objectives, prerequisites, learning outcomes, and evaluation schemes of various courses related to its disciplines.
- c. To recommend reference books or supplementary reading materials, e-resources, and other materials useful for the study of the course.
- d. To recommend the measures for quality assurance and improvement of the standards of teaching, methodologies for innovative teaching and evaluation techniques.
- e. To prepare panels of paper-setters, examiners, and jury for university examinations and evaluations, based on the criteria laid down by the Academic Council on behalf of Academic Council.
- f. To elect one of the members as Member of Selection Committee for Examiners of the disciplines who along with Convener of Board of Studies will recommend the names of examiners for End of Semester Examination.
- g. NOTIFICATION

The Board of Management in its 11th meeting held on 30th September, 2024 approved the agenda item no. 11.4.1 (approval of sixth academic council minutes), accordingly, the following Regulation 3A is notified as under:

In the exercise of the power conferred under section 22(1) read with section 32 of Delhi Skill and Entrepreneurship University Act 2019, the Board of Management of Delhi Skill and Entrepreneurship University makes the following Regulation namely “**REGULATION 3A**”;

1. SHORT TITLE, APPLICATION AND COMMENCEMENT:

- These Regulations shall be called as the Delhi Skill and Entrepreneurship University, implementation of Three Year Diploma (Technical) (NCrF level 4.5) in a Major Discipline with Multi Entry and Exit options in the light of National Education Policy 2020.
- They shall be applied to all Campuses, BoS/CoC, Faculties and Departments/School of Studies of Delhi Skill and Entrepreneurship University from the Academic Session 2024-25.
- They shall come into force from the date of notification issued by the University and shall replace the existing regulations or rules for Three Year Diploma Programs.

Regulation 3A: Regulations for Three Year Diploma (Technical) (NCrF level 4.5) in a Major Discipline.

Regulation 3A: This regulation pertains to the regular Technical Skills Program (TSP) or Vocational Skills Program (VSP) notified, as Three Years (Six Semesters) Diploma (Technical) in a Major Discipline, by the university. This regulation will come into force from the Academic Session 2024-25. This regulation is based on Regulation 2-A and shall be interpreted accordingly.

Regulation 3A-1: Subsequent to the approval of the Academic Council, the university may offer a new Three Years (Six Semesters) Diploma (Technical) (hereafter referred to as TDT) in a Major Discipline. The list of Major Disciplines in which TDT is offered may be appended or amended as approved by the Academic Council. One of the Board of Studies or Committee of Courses constituted by the Vice Chancellor will be entrusted the responsibility of developing

curriculum for Discipline Centric Core (DCC) and Discipline Specific Elective (DSC) courses of the Major Discipline of TDT.

Regulation 3A-2: Number of seats in each TDT program at a particular campus of the University will be as approved and notified by the Academic Council of the University and as advertised for admission to the program. However, Vice-Chancellor of the university by issuing orders may increase and decrease the number of seats based on own discretion and same may be reported to the Academic Council. The University may close a TDT program offered, in which number of students who deposits fees, fall below the notified minimum number of seats, however the fee paid by the student will be fully refunded.

Regulation 3A-3: Every student admitted to the TDT programme shall be enrolled before appearing in the first semester examination through the procedure prescribed by the competent authority from time to time.

Regulation 3A-4: The medium of instructions in general shall be primarily English except for language courses. However, university may notify the medium of instruction for a specific programme, and in such cases the medium of instruction shall be as notified by the university. The medium of instructions for examinations shall be Hindi and English both.

Regulation 3A-5: No student shall be eligible for enrolment in the TDT in a Major Discipline and admission to the course of study for the First Semester of the TDT unless they have either (i) passed the Secondary School Examination (Class X) of the Central Board of Secondary Education or its equivalent examination conducted by Boards in India or abroad recognized by the Council of Boards of School Education (COBSE), with the requisite subject/discipline if so specified in the curriculum of the TDT program, and with an aggregate percentage of more than or equal to 40%, or an equivalent Grade Point Average, or (ii) passed a two-year National Trade Certificate from an institution recognized by the National Council of Vocational Education and Training (NCVTE) in the relevant/allied trade related to the Major Discipline of TDT with an aggregate percentage of more than or equal to 40%, or an equivalent Grade Point Average, or (iii) earned 40 credits of relevant qualification at NCrf level 3.0, or (iv) has "on-job experience" in the related sector with relaxed minimum qualifications as notified by the University after approval of the Academic Council. Provided that university reserves the right to cancel enrolment in the first semester by refunding the fee within one month of commencement of semester, if total number of students depositing fee in the program falls below the minimum seats prescribed for running a program as notified by the university.

Regulation 3A-6: The typical duration of a TDT is three years comprising of six semesters. The curriculum of the TDT in a Major Discipline will be divided into six semesters (I to VI) and will involve components called courses classified and specified as per Regulation 2-A. Though the initial enrolment will be in the First Semester, no minimum credit requirement will be applicable for registration in a course in the subsequent semesters except for meeting the prerequisites and corequisites as specified in the curriculum and availability of seats on merit basis.

Regulation 3A-7: Students can exercise options of the multiple entry and exit as specified in the Regulation 2-A. There is no set maximum duration for completing a TDT. With the multi-entry and exit options, students can opt to exit the program at their discretion. However, for entry re-admission to the program will be based on availability of seats, merit in the applicable reservation category or open category.

Regulation 3A-8: Unless otherwise specified the Semester wise curriculum of TDT in a Major Discipline shall involve following distribution of credits.

Year	Semester	DCC/DSE	AEC	SEC	MDC	OEC & Others	Total
First	I	10	2	0	4	4	20
First	II	10	0	2	4	4	20

DSEU
Crafting Excellence

Important: 1. Students are advised to select their campus preference carefully while completing the registration form and check the distance from the home beforehand. Once submitted, requests to change the campus preference will not be entertained.

2. No special support such as a scribe or personal assistance will be provided at the university level for students with disabilities.

3. No scholarships are available at the university level for economically weaker students

4. If the number of admissions to a particular program at any campus falls below the prescribed threshold, the program may either be offered exclusively at a single campus or not offered at all

5. The University reserves the right to discontinue any program at the registration stage due to various reasons, such as insufficient number of registrations, non-materialization of an MoU with an external agency, or other unforeseen circumstances.
